Methodical instructions for dormitories SFA CTU in Prague, from 10/09 2020

Accommodated are required to:

- Compliance with hygiene rules in accordance with current measures by the Ministry of Health of the Czech Republic (<http://mzcr.cz>), primarily:
 - Use of disinfectant
 - Maintenance of 2 m distance in all common areas in the dormitories, etc.
 - Use face masks in all common areas of the dormitories, etc.
- Monitoring of information regarding the coronavirus at www.cvut.cz

More information on the system of the dormitories:

- The return accommodated to the dormitories is taking place in accordance with the current protective measure issued by the Ministry of Health of the Czech Republic and the Ministry of the Interior of the Czech Republic (<http://mzcr.cz> and <https://www.mvcr.cz>).

Clients with a positive PCR test will not be accommodated at the dormitory. If the obligation to present a negative PCR test for Covid-19 does not apply to the client, then they shall fill in a Solemn Declaration regarding the absence of the symptoms of a viral infectious disease, and quarantine measures, upon their arrival in the dormitory.

- Provision of new accommodation with the condition of entry to the dormitories as in the case of return accommodated to the dormitories in the previous point
- Moving within the dormitories, and visits to accommodated, are permitted in all CTU in Prague dormitories
- New accommodated will be issued with standard dormitory cards with a clearly marked issue date
- SFA maintains designated continuous quarantine areas, separately for accommodated with a positive test and separately for accommodated who have been ordered to quarantine.
- These measures may be amended in accordance with regulations issued by the Government of the Czech Republic.
