Decision of the Service Facilities Administration Director of 27 March 2020

Dormitory fee reduction from 1 April 2020

Based on the extraordinary situation, following a consultation with the university management and a discussion with the CTU Bursar and the Commission for the Service Facilities Administration and other representatives, I decided on the following measures:

1) With effect from 1 April 2020 till 30 April 2020 the fee for accommodation for students will be reduced by 50% across the board.

2) The reduction applies to all students who are accommodated at the CTU Prague dormitories.

3) If a resident wishes to terminate his/her accommodation prematurely, it will be made possible without giving notice and at the same time his/her security deposit will be returned. In this case, the resident will not be charged a penalty for March 2020.

4) If a student of CTU or another school has terminated his/her accommodation in the period of the extraordinary measures against the spread of coronavirus, the student will be allowed to make a reservation for the academic year 2020/2021. If this student applies for accommodation in the academic year 2019/2020, it will be provided if the extraordinary measures against the spread of coronavirus allow it.

5) In cooperation with the Health Station, we will put the residents with suspicion of COVID-19 in quarantine at the New Town Hotel, Řeznická 4, Prague 1.

6) A new Decision of the Service Facilities Administration Director will be issued for the period from 1 May 2020.
