ACCOMMODATION SCENARIO for Academic Year 2020/2021

SFA CTU in Prague (hereinafter ‘provider’)

Basic provisions

The accommodation scenario (hereinafter the “AS”) applies to students of full-time university study courses, to students of other forms of university study courses, to students of schools other than universities, including students on study placements and exchange placements, to whom specific accommodation contracts apply, and to graduates of the Czech Technical University in Prague.

A) According to this scenario, accommodation is assigned at dormitories according to the following priorities:

1) All persons making reservation, see AS, item B
2) Applicants, all students of the Czech Technical University in Prague and all applicants for a study course at CTU in Prague
3) Applicants, other students, who have previously been accommodated at the accommodation provider’s dormitory.
4) Applicants, students of other Czech universities
5) Applicants, other students

B) Reservation of accommodation – only applies to students and graduates of the CTU in Prague who are living at the dormitory of the CTU as of the date the reservation submission period commences (assumption that accommodation will continue to be provided for the following academic year)

1) An on-line reservation for accommodation must be submitted at https://web.suz.cvut.cz/Login - this concerns accommodated students.
   Resident graduates of the Czech Technical University in Prague make a reservation with the manager of the dormitory in question (a condition of the reservation is the presentation of a copy of a diploma from the Czech Technical University in Prague no older than 5 years inclusive).
   Reservations can be made from 11 May 2020 until 22 June 2020 inclusive.
   The reservation methodology will be published https://www.suz.cvut.cz/en/seznam-uvbystanovavani
2) Couples reserve accommodation with the manager of the relevant dormitory.
3) As confirmation of his/her interest in assignment of a place, the student will pay a refundable monetary deposit, or the student’s asset balance in the ISKAM4 accommodation system (hereinafter “ISKAM4”) must be equal to or higher than the monetary deposit by the deadline specified in the Schedule of Accommodation (hereinafter the “SoA”) for the current academic year (hereinafter the “AY”).
4) If the student fails to make a reservation for accommodation, by the specified deadline, the student must submit a new application for accommodation at the dormitory see AS section) item2).
5) The student making the reservation must pay for the accommodation services and the related fees, including insurance, for the month of September by bank transfer or debit card at one of the collection points, on the date he/she signs-in to the dormitory for accommodation at the latest. The September payment covers accommodation from the date the student signs-in to the dormitory for the AY of 2020/2021 until 30 September 2020 (this also concerns students who are accommodated all-year-round and pay by direct debit).
6) The student does not become legally entitled to accommodation by reserving a bed at the dormitory.
7) The student becomes legally entitled to accommodation by payment of the monetary deposit, or if the student’s asset balance in ISKAM4 is equal to or higher than the value of the monetary deposit by the deadline specified in the SoA for the current AY.

C) Application for accommodation at dormitory – valid for NON-LIVING at the dormitory of the CTU and for LIVING at CTU dormitory who have not made a reservation

1) It is possible to apply for accommodation in halls of residence of CTU NONSTOP – all year round. In case of unavailability of the CTU accommodation, the accommodation owner reserves the right to close the registration of the new non-CTU applicants (see accommodation rules ISKAM4).
2) A period for submitting on-line applications for AY 2020/2021 commences on 3. 2. 2020
4) As confirmation of his/her interest in assignment of a place, the student will pay a refundable monetary deposit, or the student’s asset balance in the ISKAM4 accommodation system must be equal to or higher than the monetary deposit by the deadline specified in the SoA for the current AY.

5) Prior to arriving on campus (by 18. 9. 2020) a student pays a refundable deposit by transfer to the account of the provider, always within the deadline stipulated in SoA for the current AY (valid for allocating accommodation in the 1st round in halls of residence), or within the deadline that will be communicated to him/her (e-mail, SMS), (valid for allocating accommodation in subsequent rounds).

On the day of arrival on campus, a student pays for accommodation services and associated fees, including insurance, for September cashless or by credit card at one of the collection points. So, the period from the arrival date till 30. 9. 2020.

Prior to arriving at dormitory after 18. 9. 2020 a student pays for accommodation service and associated fees for the month in which he/she joined the campus, at any collection points or cashless. (The collection of the payment for the dormitory accommodation does not take place in case the place of accommodation is not also the place of collection).

For a cashless payment a student can use the fastest payment via the payment gateway GoPay on-line directly from the accommodation system ISKAM4 (we recommend this option mainly for payments from abroad).

More information about other payment options and deadlines is available in the General Terms of Accommodation (hereinafter ‘GTA’) in sections C and D; this also applies to students on an internship or student exchange programme.

6) If a student fails to pay a deposit by the requested deadline, as confirmation of his/her interest, his/her application will be cancelled in the system and the student will be charged all cancellation fees, see Pricelist of refunds, fees, lump sum payments, penalties and other services of CTU in Prague – SFA (hereinafter ‘Pricelist of payments’) and GTA, section E.
7) Reoccurring applications for accommodation will be attended to only after the first time applicants have been resolved.
8) By submitting an application for accommodation on campus a student or applicant does not obtain the legal right to accommodation.
9) The student becomes legally entitled to accommodation by payment of the monetary deposit, or if the student’s asset balance in ISKAM4 is equal to or higher than the value of the monetary deposit by the deadline specified in the SoA for the current AY.
